MS HOME WELLNESS PROGRAM MASSAGE/ACCUPUNCTURE

To become eligible, an intake form must be completed by you or the MS Home office. Once you receive acknowledgement that you may participate in this program, you are entitled to receive two (2) massage sessions and up to four (4) acupuncture sessions per month. The sessions are not transferable from month to month.

Co-pays: There is a \$10 per session co-pay due at the time you receive your massage or acupuncture treatment. It is payable to the service provider.

Co-pay Waiver: Due to the number of participants in our Wellness Program we are unable to waive the \$10 co-pay unless you are available to donate six (6) hours per month working in the MS Home office or My Style at Home Resale Shop. If you need to waive your co-pay through our volunteer program, please call our office and we can set up a schedule for you to donate time.

MS Home appreciates your participation in our Wellness Program. Each of the co-pays we receive helps us continue to assist an increasing number of people in our community with MS.
